

August 21, 2018

Facilities, Transportation, and Safe Schools

Transportation:

- 8 Hour Update Training has been completed
- Final bus will be back next week from shop. Will allow us to have a spare bus.
- We have approximately 100 students on the waiting lists.
- We are looking at some alternatives to help address waiting lists, routes for next year.

Facilities:

- **NHS:**
 - Bleacher repairs should be completed next weekend.
 - Cafeteria renovations are basically complete. We are working on punch list for the project.
 - Cameras have been installed.
- **NIS:**
 - Flooring is completed at NIS with the exception of the front lobby, office and walkway toward the YSC.
 - Still waiting on door locks and glass for one entry door to arrive.
- **NPS:**
 - New security entrance basically completed at NPS. Still waiting on locks and some glass for a door to complete the project.
 - Flooring has been completed except for main office area and the entry foyer.
 - Mulched play area has been completed.
 - Cameras are basically completed.
 - Front office area painted. Waiting on cabinet quote to complete front office area.
 - Plumbing issues are showing up but we are addressing with the contractor.
- Surplus items have been collected and are preparing list.

Safe Schools

- All schools are to check their safe school data entry over the next week.
- All schools will need to enter their Emergency plans in safe schools.

Newport Regional School

- No issues at school. New staff is working out well and things are running smoothly at this point.
