

# **Accelerated Improvement Schools**

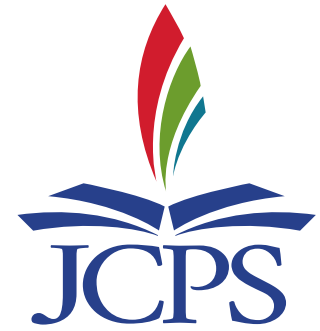

August 28, 2018

# Accelerated Improvement Schools Office

- The AIS office provides training, support, resources, and monitoring JCPS's lowest performing schools
- Provides tiered support based on school level designation
  - Level 3
  - Level 2
  - Level 1

# Vision and Mission of AIS

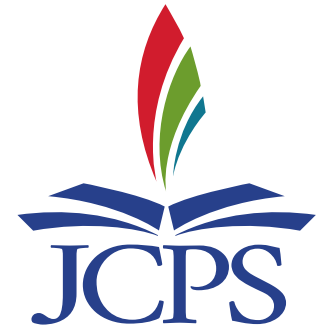

Vision: The vision of the Accelerated Improvement Schools Office is to transform schools into environments of exceptional student learning.

Mission: The mission of the Accelerated Improvement Schools Office is to collaborate, coach, and challenge schools in the implementation of a continuous improvement process that results in next grade-level readiness for each student academically, socially, and emotionally.

Fulfill the JCPS Strategic Plan: Vision 2020

# Three AIS Levers

## Culture of Achievement

- High Expectations, Accountability, Student-Centered, Equitable, Recognition of Success, and a Focus on Learning

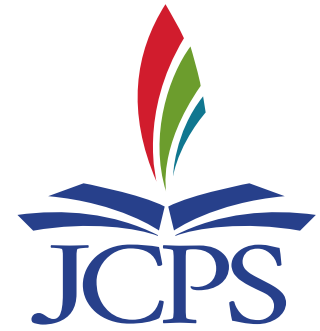

## Accelerated Leadership and Capacity Building

- Driver of Results, Prioritizing the Work, Problem Solving, Personal Effectiveness, and Team Effectiveness

## Six Systems of an Effective Learning Climate

- Standards Implementation, Instructional Planning, Effective Use of Data, Progress Monitoring, Academic and Behavioral Support, and Instructional Feedback and Professional Learning

# AIS Goals

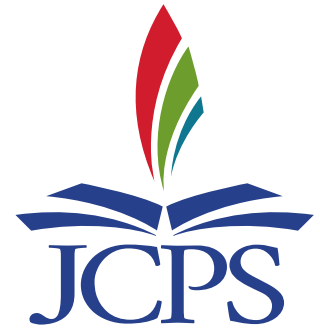

Increase the percentage of students in each class making proficiency and transition readiness benchmarks on state assessments.

Decrease equity gaps in each school (teacher experience, teacher qualifications, program placement, student achievement, and student behavior).

Improve the culture and climate in each school (survey data, parental support, and community outreach).

# Moving the Levers for AIS

- Implementation of School Improvement Plans and Goal Development
- Site Visits
- Professional Training
- Resources
- Performance Management
