Consider/Approve:

Consider/Approve Memorandum of Agreement with Floyd County, Kentucky Sheriff for services from the K-9 Unit and School Resource Officers for the 2018-2019 school year.

Applicable State or Board Policy:

KRS 162.90 General Powers and Duties of the Board

Fiscal/Budgetary Impact:

K-9 Unit is \$25,000 per year and the cost of one (1) School Resource Officer at the cost of not to exceed \$50,000.

History/Background:

School level administrators support the practice and recommend approval of such services. The K-9 Unit will be used to detect and deter the possession, distribution and use of illegal drugs on district school campuses. School Resource Officers (SRO's) primary role, however, is to provide law enforcement-type services to a school to encourage everyone to follow all of the school regulations. SROs investigate allegations of criminal incidents and make referrals of students to juvenile authorities, when necessary.

Recommended Action:

Approve MOA as presented.
