Lesson Plans

A. Training Objective:

Task: Selected students will participate in practical exercise (PE) performing individual land navigation skills

Training Standard: Within a 75 minute period each student will have the opportunity to plot six locations on their map and to use their map and compass to find the corresponding location on the ground.

B. Intermediate Training Objective: Every student will be taught to read a map, plot a location on a map, and use a compass and to safely move through a wooded area in order to find a predetermined
