

BCPS Field Trip Request ID # 8639

Trip Request By	Alicia Doyle - OMES
Trip Name	Squire Boone Caverns
Trip Date	09-27-2018
Approx. Pick-up Time	9:00AM
Return Date	09-27-2018
Approx. Return Time	3:00PM
Class/Group	3rd grade
Student Count	75
Chaperone Count	15
Number of Vans/Buses	2 buses (Miller)
Common Carrier	Miller
Cost to Students	17
How will you pay for students who cannot afford the fee?	School Funds

Place of Departure

Name:	Old Mill Elementary School
Address:	11540 HWY 44E
City:	Mount Washington
State:	KY

Destination

Name:	Squire Boone Caverns
Address:	100 Squire Boone Rd
City:	Mauckport
State:	IN

Lesson Plans

SS-4-2.1.1 - Students will identify early cultures (Native American, Appalachian, pioneers) in Kentucky and explain their similarities and differences. SS-4-3.1.1 - Students will describe scarcity and explain how scarcity requires people in Kentucky to make economic choices (e.g., use of productive resources - natural, human, capital) and incur opportunity costs. Students will complete activities that identify and explain their similarities and differences to pioneers. Students will complete activities that show how pioneers used their resources in their communities and how they made economic choices with the resources that they had in the area. Students will complete a KWL chart on Kentucky pioneers. Students will research how pioneers lived off the land and what resources they had available to use. Students will also explain how pioneers traded with others. Students will complete a Venn-Diagram on how they are similar and different to pioneers of Kentucky. On the field trip students will complete activities that show how pioneers lived off the land by using candles for light, fire for warmth, wheels and water to make electricity, and caves were used for their benefits. After the trip the students will complete their KWL charts and produce a writing piece on pioneers and how they used the land and resources to survive.
