Lesson Plans

Lesson Plan
October 31-November 4

Objectives: 1) To hear from professional journalists and journalism educators from around the nation. 2) To compete against other high school journalists in a variety of competitions.

Method: Travel to the NSPA/JEA national journalism conference. I am the state director for JEA and the planning committee. We have some amazing opportunities planned.

Assessment: Students will present session summaries to their staffs in an oral presentation that will help shape their publications for the rest of the school year.

If I have more than 14 students go, we will take a charter bus.
