Lesson Plans

IdeaFestival Bowling Green is a one-day annual celebration of ideas sponsored by The Center for Gifted Studies at WKU. Hosted in cooperation with the original [IdeaFestival in Louisville](#), our event brings passionate and motivated middle and high school students and interested community members from throughout the region to the WKU campus for a morning of speaker sessions and an afternoon of hands-on, minds-on activities, all focused on innovation, curiosity, entrepreneurship, community engagement, and creativity across a variety of fields.
