

KENTUCKY INNOVATION LAB NETWORK

A group of leading districts interested in sharing transformative educational strategies

Why join the KY ILN?

- become thought partners with like-minded districts
- share with other districts during monthly calls and at an annual convening
- ongoing support from KDE and its partners
- access to CCSSO and its resources
- opportunity to join ILN initiatives, such as personalized learning study groups
- access to sources of funding to support personalized learning implementation

6 Critical Attributes of Educational Innovation
