Manufacturer's Standard Warranty

Wilson Electronic Displays' LED Message Centers, Video Displays, Rate Displays, and Time & Temperature units are guaranteed for a period of Two (2) Years* from the date of invoice (or substantial completion) against defects in workmanship or material. Failed or damaged product will be replaced without cost to the owner, provided the equipment or parts (including LED modules or digit segments) are returned postage-paid to the **Wilson Electronics Displays factory at 300 Hamilton Ave., Dayton, OH 45403.**

Shipping back to the owner will be surface postage prepaid except if air or special method of return is specified, then shipping will be freight collect. Wilson Electronic Displays will pay no charges for time or materials used by others in making repairs or corrections.

This guarantee shall be void if: any alteration or service, other than unplugging modules or controls, is performed without factory authorization; or if the equipment has been incorrectly connected to power or is improperly grounded or installed. Equipment which is subject to accident, neglect, abuse, or misuse is not covered by this guarantee. Equipment which is subject to natural disasters, including but not limited to: fire, wind, lightning, or flood is not covered by this guarantee.

* Wireless components carry a 1 year warranty
