- A. This grant may be used only for the PLTW Launch program. The products and services provided by this grant may be used only for the PLTW Launch program (the "Program"). Grantee must begin offering PLTW Launch modules in the 2018-2019 academic year. The products and services provided by the grant, which may consist of distributions, equipment, services and/or resources made available to the Grantee, to be determined in the sole but reasonable discretion of PLTW, will be used to offset the eligible PLTW Program implementation costs associated with the Program. The eligible PLTW Program implementation costs are the 2018-2019 PLTW program participation fee; Teacher training fees for up to two teachers to complete PLTW Launch Classroom Teacher Training; and PLTW Launch Module/Grade Level Kits valuing up to \$3,000. Schools may choose which module(s) to implement. Grantee should refer to the KY CS Grant Disbursement document.
- B. This grant may be used during the period stated above; however, as described in Section H, continued access to PLTW curriculum and resources following the initial grant year is contingent upon meeting the requirements of the grant, including but not limited to the submission of annual reports as required under section H. Funds may be carried over to subsequent years, but must be spent by the end date of the final grant year. Any unspent funds will need to be returned to PLTW.
- C. Grantee will provide PLTW grant reports by April 15 of each grant year. The reporting requirements are to be managed in the My Grants section of myPLTW. Submitting timely reports is the responsibility of the district/school receiving the grant and PLTW

reserves the right to determine satisfactory progress. PLTW grantees must also be in good standing in order to receive any future grant funding.

- D. Grantee will provide promptly such additional information, reports, required data collection and surveying, and documents as PLTW may request and will allow PLTW and its representatives to have reasonable access to files, records, accounts, or personnel that are associated with this grant, for the purpose of financial reviews, verifications, or program evaluations as may be deemed necessary by PLTW. Any such information, reports, documents or access shall be limited to the evaluation of the PLTW Program and the grant funding, and shall be made consistent with any applicable federal or state laws relating to the provision of such information.
- E. Grantee agrees and allows PLTW to enter into a data share agreement with Grantor or its designated research firm to share data for evaluation purposes, as allowed under the Family Educational Rights and Privacy Act ("FERPA") (20 U.S.C. § 1232g; 34 CFR Part 99) and any applicable state or federal regulations. PLTW will not share any personally identifiable data, and the Grantor will not use the data for commercial purposes, but Grantor may share information about program impact data to support its mission as related to this grant program.
- F. PLTW reserves the right to require a total or partial refund of any grant funds and may limit access to PLTW curriculum and support resources if Grantee has not fully complied with the terms and conditions of this grant. Failure to submit reports under Section E, may constitute a basis for PLTW to require a refund or for PLTW to limit access to PLTW curriculum and support.
- G. Grantee agrees that execution of this document represents both its acceptance of the Grant funds subject to the terms of this agreement as well as Grantee's authorization for Participation Confirmation for programs set forth in this document. Grantee acknowledges this agreement, and the PLTW Terms and Conditions constitute the entire understanding between the Grantee and PLTW during the Terms of this Agreement.
