RE: Digital Learning Coach

At the April 17, 2017 board meeting the Board established the position of Digital Learning Coach.

For the 2018-2019 school year Henderson County Schools will receive \$69,074.14 from the federal program of Title IV. This is new money to our district and I would like to post for an elementary Digital Learning Coach. This position will be for a one year period contingent on the Title IV renewal for the 2019-2020 school year.

Re: Digital Learning Coach Position

Date: 8/20/2018

Mrs. Stanley,

We respectfully request your consideration to approve an Elementary Level - Digital Learning Coach position for the 2018-2019 school year. The funding for this position would be provided by the District Title IV allocation. We have seen great implementation of our existing DLC positions and would use this position to continue to enhance learning and instruction around the use of technology in the classroom.

Thank you for this consideration.

Respectfully,

Brian Bailey, Director of Technology
Kris Gordon, Director of Instructional Technology
