FLOYD COUNTY BOARD OF EDUCATION
ISSUE PAPER

Date: September 7, 2018

Action/Discussion Item: South Floyd Elementary Spanish Position

Applicable Statutes or Regulation: BOE approval of position

Issue: Due to the Title II A money being released to the school after allocations, SBDM is requesting to redo the staffing calculator to obtain the new Spanish teaching position and pay it from Section IV.

Background: South Floyd Elementary School SBDM did not have the Title IIA funds available when completing the staffing calculator in Spring 2018. Due to the funds being released after staffing the council has voted to redo the calculator to allow a Spanish teacher to be added to the school schedule.

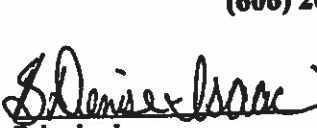

Budget/Financial Issues: Section IV

Alternative: Not expanding our World Language program.

Recommended Action: Council recommends the Board to approve the teaching position.

Rationale: The Spanish position will allow for increased scheduling dedicated to the world language standards and the integration of Spanish for the Kindergarten-8th grade students.
