RE: High School Diving Coach

Bullitt County Public Schools has had a Swim team since approximately the 2008-2009 school year. We currently provide one head coach, Katie Philpot, and one assistant coach, Kelsey Davis for roughly fifty-three (53) student-athletes. Around fifteen (15) student-athletes come from North Bullitt High School, thirty-seven (37) student-athletes from Bullitt East High School, and one (1) from Bullitt Central High School. Both of these coaches are “housed” at North Bullitt High School and report to Ronnie Bryson, NBHS Athletic Director.

In the past, we have had students and families inquire about a diving team. At each inquiry, there was no support for diving due to the fact we did not have a coach. During the 2017-2018, a parent of a student at Bullitt East High School inquired about adding a diving program in the middle of the season. Due to time constraints, adding diving was not possible. The parent followed-up on July 23, 2018 to see if diving had been added for the 2018-2019 school year.

After meeting with Ronnie Bryson and speaking with Michael Barren, the diving representative for Kentucky High School Athletic Association (KHSAA), we learned that BCPS would only need to identify “diving” on the KHSAA sport registry web page to qualify for a diving team. The swimming team already has an arrangement with the University of Louisville to use their Ralph R. Wright Natatorium for practice on Monday, Wednesday, and Thursday from 7:00-9:00 PM at a cost of \$3200. To add diving would be an additional \$40.00 rental fee.

The KHSAA limitations of swimming and diving are attached. Also attached are the changes regarding diving regulations which state a student-athlete must participate in at least four interscholastics contests in event-specific competitions for that student-athlete to be eligible for the regional meet. The diving head coach will need to complete all required trainings prior to working with student-athletes. This person would also be responsible for ensuring the student-athletes, with help from their Athletic Director, are eligible to participate according to KHSAA and BCPS minimum requirements. The head coach would provide times for practice,

registration for all diving competitions, including regional and state competitions, and meet and communicate with parents of the student-athletes.

Approval is requested for the addition of a diving coach to service all three high schools. The 2018-2019 stipend will be \$1762.00. The future stipend for the position will be re-evaluated based on positions in like-size districts in conjunction with the extra duty salary scale for BCPS.
