Address:	9234 Hwy 44E
City:	Mt. Washington
State:	KY

Destination

Name:	Gallrein Farms
Address:	1029 Vigo Road
City:	Shelbyville
State:	KY

Lesson Plans

K-LS1

- I can identify living and nonliving things.
- I can state the needs and parts of a plant.

Mini Lesson (prior to field trip)- Begin by making a KWL chart to record student schema about pumpkins and animal needs. We will be visiting a working farm to learn about the needs of pumpkins and farm animals. Read a non-fiction book about Pumpkins. Record

any new learning on the chart. What questions do students have that they are hoping to learn on the trip? Record questions on the chart.

Field Trip- Classes will visit the farm and explore various stations to learn about the needs of both plants and animals. Stations will include: a pumpkin patch, a petting zoo, tractor racing (gross-motor skills), etc..

Assessment- Upon return, students will create an informative piece to show what they learned on the trip.
