Re: Revising 2018 Surplus Auction  
Date: September 14, 2018

It has become necessary that the 2018 Surplus Auction be moved from November 7, 2018 to November 27, 2018 (10:00 AM). This revision is needed to ensure that all surplus items from the current Spottsville School be moved to the auction site. If you have any questions regarding the Surplus Auction, please contact me.
