***Final Letter***

Dear Sir/Madam:

A final inspection has been made of the above referenced project. Our field inspection representative, Mr. Steve Hammock, made this inspection on September 7, 2018. The report indicates the above referenced project has been constructed in substantial compliance with the requirements of the 2013 Kentucky Building Code (KBC). Please note that the issuance of a final, partial, temporary or conditional "Certificate of Occupancy" by this office does not relieve the owner from complying with applicable planning/zoning requirements or land use regulations of the local government prior to occupancy.

This office appreciates your cooperation and interest in building safety. Please advise this office if we can be of further assistance.

Sincerely,

Carey Graham
