Consider/Approve:

Consider/Approve the use of facilities by TEACHFORAMERICA during June 2019 to provide Summer Programming for TFA pre-service teachers while simultaneously providing summer academic and bridge programs for students.

Applicable State or Board Policy:

KRS 162.90 General Powers and Duties of the Board

Fiscal/Budgetary Impact:

Transportation costs associated with transporting students to the Summer Academic Boot Camp and Bridge Program for 2.5 weeks during June 2019.

History/Background:

TFA is proposing to conduct their summer teacher-programming model in Floyd County. TFA pre-service teachers will have the opportunity to interact with our schools and communities. Students will have the opportunity to attend academic boot camp and the Bridge Program at no cost. Principals are invited to attend the training model and process, which allow us to get to know pre-service teachers beyond the basic interview.

Recommended Action:

Approve pending the submission of the FCS facilities agreement and certificate of insurance.
