XI. Discussion Items

Discussion: Brock-recognizing district staff that have gone above/beyond. Cleveland-middle school building from construction to now, wonderful to see how far we have come, sad to not see more candidates at the meetings to see what is going on. Springate-middle school always great to visit, fabulous building/opportunities for students). Edelen-what we have seen since Mr. Hawkins has been here is that they are always trying something different, getting new ideas, not just the status quo. Last week draft of a superintendent evaluation document was handing out. Review and give feedback with possibility of placing on October planning meeting.
