Address: 269 Water St.

City: Mt. Washington

State: KY

Lesson Plans

Unit Organizer Kentucky Youth Assembly November 4-6 Crowne Plaza Conference	Essential Questions How does the government function at a state level? What processes does a bill go through to become a law?
Target/Supporting Standards SS.2.14 Students understand the democratic principles of justice, equality, responsibility, and freedom and apply them to real-life situations. SS.2.15 Students can accurately describe various forms of government and analyze issues that relate to the rights and responsibilities of citizens in a democracy	Practices Developing and using models Analyzing and Interpreting data Public Speaking Democratic practices (committee meetings, voting)
Knowledge and Skills	
What students Will Know I can describe how a bill becomes a law I can explain how various forms of government interact.	What Students Will be Able to Do Students will be able to apply democratic principles to real-life situations Students will be able to create a bill that impacts their lives to present to state level congress.
Learning Experiences Students will be working in groups and individually throughout the trip to plan and carry out attempts to get their bill passed through congress. Select students will be presenting the bill to an assembly of students and advisors that will be voting on their bill. They will also be part of an assembly to vote on other bills from other schools. They will be demonstrating how a democracy works and play a vital role in the	Assessment Students will be given a pretest on 10/28/14 that assesses their knowledge on the branches of government and the functionality of each branch as well as how a bill becomes a law. They will then be given a posttest after the conference to assess how much they have learned since they have been in KYA.

selection of new bills and officials of KYA. Students will also be interacting with other middle school students to learn more about democracy and how the government works at a state level.
