Advisors/Sponsors of TSA (Technology Student Organization)

TSA Fundraiser Late Statement:

Henderson County High School will reopen its chapter of TSA. Advisor Jeff Givens, Kaleb Payton, and Keith Stone will lead this club through its officers to leadership development and competitions at the regional, state and national level. The reason the club is just now coming back to fruition revolves around state approval of club for the Pre-Engineering, Media Arts, and IT programs. The state now approves this club as a national student organization that benefits our students. Mrs. Lacer approves this club as well for our students.

Thus, the membership drive for this club has just begun, and thus the late paperwork for fundraising.
