

## CHRONIC ABSENTEEISM DATA 2017/2018

The Kentucky Department of Education (KDE) defines chronically absent as a student who is present 90% or less of full-time equivalency. If a student misses 10% or more of the school year for any reason - excused, unexcused, suspensions (exceptions are exempt absences such as field trips, EHO, AFD, AFR, ATA, College Visit) - then the student is considered Chronically absent. This is not the same thing as Truancy. Truancy is based on Unexcused absences only and Chronic Absenteeism is based on *missing school for any reason, excused and unexcused*.
