Information Agenda Item: Extend a 7 hour School Nutrition Manager position to 7 ½ hours.

Applicable Statute or Regulation: KRS 162.90 Powers and duties of the local board.

Fiscal/Budgetary Impact: The cost for the increase will come from the School Nutrition Department

History/Background: The Floyd County School District currently employs 12 kitchen managers that consists of 1 manager per school. The position requires the manager to not only complete the daily tasks of a cook but also all the required documentation which includes day-to-day records, monthly reports, weekly ordering, weekly delivery trucks, and other tasks associated with the position. We currently have 11 of our managers working on 7 ½ hour per day contracts with only one manager at RLC that works a 7 hour per day contract. RLC is a smaller school in enrollment but the tasks and paperwork are still the same at all schools including RLC. It would be helpful to extend her contract to 7 ½ hours per day to ensure the amount time necessary to complete the required tasks.

Recommended Action: Approve as recommended.
