Re: Hardin County Middle School
SCB Project No. 0719

Dear Gary:

Sherman Carter Barnhart will be presenting at the board meeting on Thursday, February 19, at which time we will be reporting on the construction progress of the North Middle School project. We are unable to attach construction progress meeting minutes because the progress meeting has been rescheduled due to severe weather conditions.

SCB will also be seeking Division 17 (Technology Components) Bid Package approval from the school board for this project. We request that the school board make a motion to approve the Division 17 bid package for final submittal to KDE prior to bidding. A final coordination meeting was held on Thursday, February 5, 2009 with Gary Milby, Steve Boone, and Bruce Haggerty to finalize the bid package.

If you have any questions or comments about this information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, reading "Myra Vaughn".
