-Approval of Agenda

The agenda was approved

-Approval of Minutes

Minutes from the regular August meeting were approved.

(Motion by PH, second by TB)

II. Closed Session

-The council went into closed session and PG left the meeting since the council was going into closed session.

III. Open Session

- Budget will be provided at the next S.B.D.M. meeting.

-\$100 will be given to all teachers if needed.

-PH asked for help with purchasing his art supplies – total of \$1700.

-Band directed by RS have t-shirts that have been purchased. Will look into possible vendors to purchase matching shoes and caps for all band students.

-Whiteboards for all teachers have been installed.

-Anything being used for instruction can be bought with TITLE money.

-MAP scores are in. KPREP data came back and will be released after Thursday, September 13, 2018.

-Interventions were brought up for discussion by RS. Concern of if they are 1pt. below benchmark, could they be removed from intervention. CM – would be discussed with the intervention teacher and principal to see if that is a possibility for the student.

IV. Old Business

-There were no concerns to discuss.

V. New Business

- RS would like help with purchasing band instruments. He needs to fill out a Supplies Order Form. He states that the previous Superintendent had promised him, 3 years ago, that he would buy new instruments for the band program costing approximately \$6500.00 RS stated that the band program has had the same instruments for 23 years. Students/teacher are unable to fundraise for that much money. He needs them replaced by the 2019-20 Fall Semester. CM – This would be brought to the board to ask for help with this purchase.
- \$1200.00 worth of donuts were sold to raise money for the current band repairs and supplies that are needed.
- Questions about doing a raffle would be sent to the Board Office to Stacy McKnight.
- PH would like to set up a table in the lobby in the A.M. to meet JRS. as they arrive in the morning, for any questions they may have about fundraising or their Senior Trip.
- TH Hold possible competition by grade level about various events and give reward in December.

TEACHER CONCERNS-TB said that the transition from the coliseum to the gym in the mornings went smooth. The students are still not eating a lot. Maybe if there were more/better food options they may eat more often.

-Discussion of possible salad bar being brought back. The committee would like to invite Tabitha Turner for the next meeting to discuss possible options.

-CM -Possibility of giving a cold option of breakfast in the morning, in the gym with a share table. If they still seem to not be eating then maybe do a student survey about what to add/remove from the menu. Also look at other schools and see what they serve.

PUBLIC CONCERNS – SS expressed her concerns about school programs and the lack of a teacher. Council had stated that a Full Time teacher had indeed been hired and would be starting that following Monday.

VI Adjournment

- At 4:35 P.M. the council adjourned following a motion by TH and a second by PH.
