Marganna, is this something you can approve or does it need to be on Mondays agenda? If agenda, can it be added or is it too late?

I don't have any issues with this, just asking.

Lisa

Marganna,

Following up on our conversation, I am writing to request two school buses to help transport people on October 27th from 2:00PM to around 6:00PM for the Halloween Trunk or Treat Extravaganza event, similar to last year's timing and routes. I will call Ben Payne today to work out the details. If you all can consider and approve this request at your next meeting, I would greatly appreciate it.

Thank you! Hope you all are doing well!
