## IMPORTANT AIRLINE BAGGAGE NOTICE:

As you are probably aware, many airlines are now charging fees for checked bags. Due to the constantly changing nature of these fees and the difficulty in pre-paying them, these fees are not included in the price of your airfare.

As a result, many clients have advised their trip participants to limit their luggage to carry-on items only. Most airlines allow one carry-on bag plus a personal item such as a purse, briefcase or small backpack.

Should your group wish to check baggage, please see the attached chart for current pricing and where to obtain the most up to date information.

As always, your Travel Account Executive is available to discuss and assist you in any way possible to make traveling as hassle-free as possible.
