Memorandum of Agreement Terms and Conditions

Revised April 25, 2018

This Memorandum of Agreement (MOA) is entered into, by and between the Commonwealth of Kentucky, KENTUCKY DEPARTMENT OF EDUCATION (“the Commonwealth”) and Trigg County (“the Contractor”) to establish an agreement for the Preschool Partnership Grant. The initial MOA is effective from November 1, 2018 through June 30, 2020.

Scope of Services:

Per House Bill 200 (2018), the Kentucky Department of Education has established a grant program between school districts and childcare providers in an effort to develop a comprehensive plan to implement full-day, high-quality programs to serve children eligible for assistance from the Child Care Assistance Program (CCAP). The focus should be on implementing or enhancing the implementation of full-day, high-quality early childhood services for at-risk preschool children. The purpose of these funds is to increase the number of preschool children served in full-day, high-quality early childhood environments.

Included as an attachment to this Memorandum of Agreement (MOA), is the districts’ approved Request for Application. The application includes approved deliverables and budget and will be used as a supplement to the MOA’s scope of work.

Requirements

An applicant is defined as one or more Kentucky school districts providing state-funded preschool services. The applicant will serve as the grant’s fiscal agent for the purpose of receiving and directing partnership funds in support of implementing or enhancing full-day, high-quality early childhood services to preschool children eligible for the CCAP program.

A co-applicant is defined as one or more child care partners responsible for working collaboratively with the applicant to implement or enhance full-day, high-quality early childhood services. Co-applicants must include licensed Type I provider(s) or Type II child care provider(s) or certified home child care providers.

Preschool children are defined as three- or four-year-old children with disabilities and four-year-old children eligible for state-funded preschool and CCAP services.

Full-day services are defined as a minimum of six hours of operation, four or five days per week. Applicants are encouraged to base comprehensive services and hours of operation on community needs.

High-quality program is defined by a level three (3) rating or higher in the Kentucky All STARS system.

Head Start may serve as a co-applicant but partnerships must avoid duplication of full utilization agreements and must not supplant federal Head Start funding.

Applicants must use funds to implement a full-day, high-quality early childhood program to serve CCAP eligible preschool children.

Applicants must report student information using Infinite Campus in a manner that meets the Family Educational Rights and Privacy Act (FERPA).

Applicants must use developmentally appropriate instructional programs with an emphasis on research-based early numeracy and early literacy skill development.

Applicants are encouraged to support Striving Readers grant activities where these services are implemented.

Applicants must demonstrate collaboration and coordination with co-applicants, as well as collaboration and coordination with existing early childhood programs and services including Head Start.

Applicants must achieve at least a rating of three (3) STARS under the Kentucky All STARS system.

Funds from this grant cannot be used to replace regular preschool or child care services.

Applicants must submit a final report each year identifying student level outcomes, collaboration activities and professional development activities. Payments may be contingent upon receipt of these reports.

Applicants must use a portion of funds on high quality professional development to support district and child care staff.

Applicants must use a portion of funds to evaluate the effectiveness of the partnership grant.

Any suit, action or other proceeding regarding the execution, validity, interpretation, construction, or performance of this agreement shall be filed in the Franklin Circuit Court of the Commonwealth of Kentucky.

Requirements for Reporting to Kentucky Teachers Retirement System:

Please note that, if contractor is a current retiree of the Kentucky Teachers Retirement System (KTRS), or proposes to use a current or potential retiree of KTRS to perform any work under any contract, this may have an adverse impact upon retirement benefits for that retiree. This would occur, regardless of whether a contract is awarded to the individual directly, or to another legal entity for which the individual works.

	Document Description	Page 5
1900002921	Preschool Partnership Grant 2019-2020 - Trigg Co	of 11

Accordingly, if a contractor proposes to use such individuals to perform the work, the contractor is strongly encouraged to check with KTRS to determine what requirements apply, before entering into a contract. The KTRS help desk number is 1-800-618-1687.

Furthermore, as a condition of any successful contract award, any information on such retirees (as defined and required by KTRS) must be submitted prior to any services being performed by said individuals under this contract.

As a firm condition of this contract, the contractor shall be responsible for any failure by such current or potential retirees to properly report information concerning their retirement status, during the life of any contract awarded.

Federal Funding Accountability and Transparency Act Compliance (applicable for federal)

Details on how to register and acquire a DUNS number are available at <http://fedgov.dnb.com/webform>, and are free for all entities required to register for grant awards under these provisions. The Second Party must disclose to KDE the names of the top five executives and total compensation to each, if:

*More than 80% of the Second Party's annual gross revenues originate from the federal government (directly or indirectly through the state), and those revenues are greater than \$25,000,000 annually, and

*Compensation information is not already available to the public.

This contract authorizes funding for the contract period based upon the availability of funds.

The Kentucky Department of Education reserves the right to withhold or cease funding for non-performance, or breach, during the life of the contract, if it is in the best interest of the Commonwealth to do so.

1.00 Cancellation clause:

The state agency shall have the right to terminate and cancel this contract at any time not to exceed thirty (30) days' written notice served on the Contractor by registered or certified mail.

2.00 Funding Out Provision:

The state agency may terminate this agreement if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the agreement. The state agency shall provide the Contractor thirty (30) calendar days written notice of termination of the agreement due to lack of available funding.

3.00 Reduction in Contract Worker Hours:

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. If under such authority the agency is required by Executive Order or otherwise to reduce contract hours, the agreement will be reduced by the amount specified in that document. If the contract funding is reduced, then the scope of work related to the contract may also be reduced commensurate with the reduction in funding. This reduction of the scope shall be agreeable to both parties and shall not be considered a breach of contract.

The state agency certifies that it is in compliance with the provisions of KRS 45A.695, "Access to contractor's books, documents, papers, records, or other evidence directly pertinent to the contract." 5.00 Effective Date:

All Memorandum of Agreements are not effective until the Secretary of the Finance and Administration Cabinet or his authorized designee has approved the agreement and until the agreement has been submitted to the government contract review committee. However, in accordance with KRS 45A.700, memoranda of agreement in aggregate amounts of \$50,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head, if the agency has been granted delegation authority by the Secretary.

6.00 Violation of tax and employment laws:

KRS 45A.485 requires the Contractor and all subcontractors performing work under the agreement to reveal to the Commonwealth, prior to the award of a contract, any final determination of a violation by the Contractor within the previous five (5) year period of the provisions of KRS chapters 136, 139, 141, 337, 338, 341, and 342. These statutes relate to corporate and utility tax, sales and use tax, income tax, wages and hours laws, occupational safety and health laws, unemployment insurance laws, and workers compensation insurance laws, respectively.

KRS 45A.485 also provides that, for the duration of any contract, the Contractor and all subcontractors performing work under the agreement shall be in continuous compliance with the provisions of those statutes, which apply to their operations, and that their failure to reveal a final determination as described above, or failure to comply with the above statutes for the duration of the agreement shall be grounds for the Commonwealth's cancellation of the agreement and their disqualification from eligibility for future state contracts for a period of two (2) years.
