November 8, 2019

1. Preparation for the December 1 Count for Preschool – Grade 8.
2. Verified and am gathering information for the Civil Rights Report that opened November 1 and closes April of 2019.
3. Born Learning Academy begins November 13. This is a workshop consisting of 6 sessions for families with children from birth to 5 years old. The preschool staff will be facilitating the meetings. Curriculum was purchased through the Striving Reader's Grant.
4. Southgate will contract with Silver Grove Schools for a student with special needs to attend high school. This student attended Newport High School under contract last year, moved away in the summer, and returned to Southgate in October. Newport was unable to accept him. Money was already budgeted for him to attend Newport so this is minimal additional expense added to the budget.
