

Visitors to the Schools**PARENTS**

To provide a safe and secure learning environment, parents are welcome and encouraged to visit their child's school, under the following guidelines:

1. All visitors must enter through designated doors identified by the schools.
2. Visitors shall immediately report to the main office.
3. Visitors shall present a state-issued ID, sign in, and state the purpose of the visit to receive a visitor's pass on approval from the Principal. All visitors must wear visitors' passes in a visible area for the duration of their visit.

CLASSROOM VISITATION

Requests for classroom observation by parents, educators, or other local citizens with legitimate educational interests pertaining to the District's public school program shall be made to the Principal with reasonable notification. The Principal may grant the request if:

1. The teacher involved is notified in advance of the arrangement.
2. The number in the group is small enough to be accommodated in the classroom without interfering with the class.
3. The frequency of the visits does not interfere with the scheduled instructional program in the classroom.

LUNCH WITH FAMILY MEMBER

Parents, guardians, grandparents, or other immediate family members as approved by the Principal/designee may request to have lunch with their child/grandchild. Otherwise, except for authorized District personnel, each school shall observe a closed campus at lunch.

SPECIAL INVITATION

A special invitation for parents and other interested persons to visit the schools may be extended during appropriate school programs or activities and special occasions.

OBSERVATION BY OUTSIDE AGENCIES

These procedures are established for the purposes of observation only.

NOTE: Unless an outside provider has been sought out and contracted for a needed service by the District, no private therapy or service shall be provided to a student during the school day, within a District School.

The following information/documentation is required by the District before a private, outside therapist/service provider can observe its private client within a District School. Information must be sent to the Director of Special Education (special education students) or to the Director of Health and Family Resource Youth Service Center (FRYSC) Services (regular education students):

- Background check clearance on file with District Schools Central Office;
- Individual liability insurance certificate or worker's compensation insurance certificate;

Visitors to the Schools**OBSERVATION BY OUTSIDE AGENCIES (CONTINUED)**

- A copy of credentials in the form of certification/license for the purpose of the observation; and
- A signed release (form can be requested from the school) by the parent/guardian noting that the therapist/outside service provider has been given permission to observe their child during the school day.

Once this information is received, the therapist/service provider may be allowed to come and observe the identified student as follows:

- At a time/day designated and assigned by the Principal/designee (to cause as little disruption to the class or school/learning environment as possible);
- The therapist is to observe only during these designated times, in an education setting (or activity such as lunch or social gathering) and only if confidentiality of other students/parents and disruption of the educational process in these settings can be adequately addressed by the Principal/designee;
- At any time the school or District needs to cancel an appointment or not allow an outside agency/therapist/service provider to return to the school setting, the outside agency will be notified; and
- The outside service providers MUST provide a photo I.D. as well as sign in and out at the school office any time they are on school property during a school day.
