ABOUT COVINGTON

Covington, Kentucky is a thriving small city beautifully situated at the confluence of the Ohio and Licking Rivers and located at the northernmost tip of the state. Separated from Cincinnati by the breadth of the Ohio River, Covington's prime location gives residents and guests alike easy access to the city with the knowledge that the quiet refinement of Covington awaits their return. Laid out in 1815, Covington is rich in cultural history, appreciative of its past while looking resolutely to the future. With nearby Cincinnati's metropolitan expanse just minutes away, Covington embraces the best aspects of their urban neighbor while retaining its welcoming, community-oriented charm. Suffused with a range of historic churches and architecture, as well as large scale contemporary projects, Covington is home to an abundance of activities both indoors and out, seasonal festivals, and numerous specialty shops, art galleries, restaurants, bars, and breweries are all easily within reach.

ABOUT HOTEL COVINGTON

Hotel Covington dates back to 1907, when Kentucky's first modern skyscraper and high-end department store were erected by local entrepreneur John Coppin. With its literal high stakes origins — the building's funding was made possible thanks in part to Coppin's winning wager on a canny horse named Knowledge — Hotel Covington is proud to offer an experience that is anything but standard. Hotel Covington's 114 opulently appointed rooms play on its vintage beginnings while seamlessly incorporating the best of modern amenities and design to provide an elevated experience for each and every visitor and guest. With exceptional dining and drink options, intimate lounge spaces and outdoor courtyards, and distinguished meeting and events spaces, Hotel Covington simply has it all.
