Re: Time Change for Work Sessions

Due to the change in format for the Board to hear the SBDM / School Improvement Plans, I request the time of the December 10<sup>th</sup> and January 14<sup>th</sup> Work Sessions be changed from 6 p.m. to 5 p.m. This does change them from a Regular meeting to a Special Called meeting with limitations as to adding to the agendas on the night of the meetings. If any items come to light that are time-sensitive, a revised agenda may be posted the Friday before.

The proposed list of Board meeting dates and times for 2019 will be presented for approval at the January 14<sup>th</sup> Work Session. The times for the future Work Sessions will be 5 p.m. If you have other suggestions, please share them with Betsy by January 10th, 2019.
