RE: Business/Community Leader Representative
For Local Planning Committee

As per regulation 702 KAR 4:180, the local board of education shall select the Business/Community Leaders to serve on the Local Planning Committee. We have advertised for two weeks as specified and have received a total of three (3) nominations for the committee. See below the three members who have expressed interest to serve on the Local Planning Committee:

Matthew Mooney – Mooney Eye Care

Steven Still – R & R Steel, LLC.

Larry Coy – Marty's Kitchen, First Baptist Church, Shepherdsville

We have received letters of interest from the above individuals. It is my recommendation that you accept the three individuals listed above to serve on the Local Planning Committee.

In addition, please see the other members that have been elected by their peer groups to serve on the Local Planning Committee.
