Topic: Amendment of 704 KAR 3:303, Kentucky Academic Standards (First Reading)

Date: December 2018

Action Requested: ☒ Review ☐ Action/Consent ☐ Action/Discussion

SUMMARY OF ISSUE BEFORE THE BOARD:

To review in consideration of amendment of the *Kentucky Academic Standards* to meet the requirements of Senate Bill 1 (2017) which calls for the Kentucky Department of Education (KDE) to implement a process for reviewing and revising all academic standards and aligned assessments beginning in the 2017-18 school year. Each set of standards now will be contained in separate regulations.

COMMISSIONER'S RECOMMENDATION:

The Commissioner recommends the amendment of 704 KAR 3:303 in order to increase the efficiency of the standards review and revision process.

APPLICABLE STATUTE OR REGULATION:

KRS 156.070, 156.160, 158.645, 158.6451, 158.6453, 160.290

BACKGROUND:

Existing Policy: KRS 156.160 requires the Kentucky Board of Education (KBE) to establish courses of study for the different grades and kinds of common schools, with the courses of study to comply with the expected goals, outcomes and assessment strategies developed under KRS 158.645, 158.6451 and 158.6453. KRS 156.070(1) requires the KBE to manage and control the common schools and all programs operated in the schools. KRS 160.290 authorizes local boards of education to provide for courses and other services for students consistent with the administrative regulations of the KBE. This administrative regulation incorporates by reference the required academic standards, which contain the general courses of study and academic content standards for use in Kentucky's common schools.

704 KAR 3:303 currently incorporates by reference standards for the arts, social studies, science, health, technology and career studies. Once the revised social studies standards are adopted into regulation, 704 KAR 3:303 will contain only the standards for the arts, science, technology and career studies. Eventually all of those standards will be reviewed, revised and adopted into their own regulations. At that time, 704 KAR 3:303 will be repealed.

Summary of Issue: This amendment of 704 KAR 3:303 will serve as the second round of several amendments needed in order to reflect the required revision process of the *Kentucky Academic Standards*. Since the October board meeting, the standards document was revised to strike all language related to social studies as this document, as revised per the process outlined in Senate Bill 1 (2017), will be incorporated by reference in 704 KAR 8:060.

Budget Impact: Minimal staff time will be impacted revising the document incorporated by reference in 704 KAR 3:303.

GROUPS CONSULTED AND BRIEF SUMMARY OF RESPONSES:

The Local Superintendents Advisory Council (LSAC) will review this regulation at its November 27, 2018 meeting. Feedback will be received prior to the December board meeting.
