Destination

Name:	Carl D Perkins Vocational Center
Address:	5659 main street
City:	Thelma
State:	KY

Lesson Plans

Carl D Perkins is a post-secondary option for our students with disabilities to help prepare them for integrated competitive employment. By law, we are required to provide students with transition services to help meet their transition needs. This trip is an interactive trip and tour in which students and parents can see the programs, training facilities, and residential side of the Carl D Perkins campus. It is an opportunity to provide access for our students from Bullitt County Public Schools.
