Re: KETS Offer of Assistance

Attached is the first offer for the Fiscal Year 2019 KETS Offer of Assistance, from the School Facilities Construction Commission. We are expecting a total of \$21.00 dollars per student this fiscal year for a total of \$248,572.80 and I will budget this amount to be matched by the district for next year's Fund I budget. By accepting the entire offer now, it will eliminate the need for additional approvals as they come in throughout the year. I would like to ask for board approval of this first offer of \$106,531.00 now, with the understanding the total of all three offers for FY19 will total \$248,572.80.

I will continue to use these funds to provide teacher and student desktops, Chromebooks, Chromebook lease payments, data center hardware (including servers), networking hardware and other instructional-related technology expenses. If you have any questions, please let me know.
