Green Shading indicates proposed online testing

*The current contract with ACT includes testing at grade 10 & 11 for spring 2019. Grade 10 will only be administered if additional funding is secured by KDE.

Note: Editing and mechanics assessments will be included after new standards are implemented.

NOTE: An email was received from KDE following the webinar on 11/26/18 to inform all districts that funding was NOT received to test students in grade 10. Therefore, they will NOT test for accountability purposes in March 2019. NHS may decide to give these students the ACT in March 2019 for preparation purposes. More information will be shared once this decision has been made.
