RE: Board Agenda Item – Office Painting Request – Shepherdsville Elementary

Presented for Board approval is a request from Mr. Patrick Durham to paint the offices at Shepherdsville Elementary with colors outside the district's standard paint colors. The request comes after moving offices to accommodate a new assistant principal.

Paint supplies will be purchased through a staff account at the school. Painting will be completed by Mr. Durham and volunteers. I recommend the Board approve the request from Mr. Patrick Durham to paint the offices at Shepherdsville Elementary.

Re: Paint Request for Offices

Shepherdsville Elementary is requesting permission to paint office spaces to improve the overall look and climate of our office area. The colors we have chosen are outside the standard scope of colors that are used in the district. A sample color of the paint will be kept on file in the facilities department and will be purchased through Sherwin Williams.

We are specifically requesting permission to paint the relocated conference room. We would additionally request permission to paint additional offices as funds/resources come available.

Patrick Durham

Principal, Shepherdsville Elementary
