In consideration of the mutual covenants, promises, and agreement contained herein and in accordance with KRS 157.350, the Christian County Board of Education and the Trigg County Board of Education enter into following agreement regarding nonresident students.

1. During the 2019-2020 school year, Christian County will release the ADA (including transportation credit) to Trigg County for nonresident students residing in Christian County for (1) those students who actually attended Trigg County as a nonresident student from Christian County during the 2012-2013 school year and for whom Christian County released the ADA during the 2012-2013 school year and (2) those nonresident students whose parent/guardian works in the nonresident district. Trigg County will release the ADA (including transportation credit) to Christian County for **any and all** nonresident students residing in Trigg County.
2. There is no provision for the sharing of ADA (including transportation credit) for siblings (born or unborn) by Christian County.
3. In accordance with HB 182, the districts will share ADA for nonresident students whose parents/guardians work in the nonresident district. Other than the lack of release of ADA, there are no restrictions on the ability of either Trigg County or Christian County to admit nonresident students. Additionally, districts may at their sole discretion release ADA for students not required to be released by this agreement.
4. Trigg County and Christian County waive the right to appeal or contest these terms for the 2019-2020 school year.
5. This is a one-year only agreement for the 2019-2020 school year, with each district reserving the right to take a different position for future years.
