

November 2, 2018

KHSAA
Attn: Julian Tackett
2280 Executive Drive
Lexington, KY 40505

To Whom It May Concern:

For 35 years, the Bluegrass State Games has served as a an amateur Olympic-style sporting event that gives athletes of all ages and skill levels an opportunity to demonstrate their talents in an atmosphere of friendly competition. For several years, the most successful sports have been High School Volleyball and Soccer which both offer a KHSAA exemption for scrimmages.

The intent is to continue to grow the Games by adding more KHSAA-sponsored sports and including exemptions for those as well. I would like to request to appear before the board to discuss the details of this proposal on November 14.

Sincerely,

Brian Miller
Bluegrass Sports Commission
President & CEO
