City:	Mt Washington
State:	KY

Destination

Name:	Kentucky Derby Museum
Address:	704 Central Ave.
City:	Louisville
State:	KY

Lesson Plans

Rationale for Field Trips

What educational objective does this field trip meet for your students?

CCSS.MATH.CONTENT.2.OA.A.1
[CCSS.MATH.CONTENT.2.NBT.A.1](#)
CCSS.MATH.CONTENT.2.MD.A.1

How is this trip connected with or linked to the unit you are currently teaching in the classroom? What have you been teaching that leads to the value of this trip?

Students have used measurements in class to determine length in units, solved problems using addition/subtraction, and worked with place value. Each of these concepts will be applicable to the math program presented at the Derby Museum.

What instructional follow-up activities will the student do upon returning from the field trip?

- Eureka Math extension activities
- Extended Response questions/word problems

How will the field trip enhance learning more than the regular classroom instruction on this topic or lesson?

Mathinâ€™™ Around the Track (1-3) We try to get our horse into the Winnerâ€™™s Circle, but run into math along the way! The Five Big Ideas of Math are highlighted. Provides real-world application of the math skills. Students will see how math can be applied in the real world, especially in the horse industry.

When did your students last attend this site?
