

FINDING means a “minor” change to the District Facilities Plan that is undertaken by the district during the four (4) year planning cycle. (See the Section 503 for additional requirements).

Section 503 Finding Process

503.1 General –During the district’s planning cycle circumstances may arise in which a district needs to make a “minor” change to their DFP.

503.2 The local board of education may request a finding to adjust its DFP under the following circumstances:

1. The change will not substantially affect the district’s needs assessment.
2. The change affects only one facility.

503.3 In a regular or special meeting, the Local Board may vote to request a finding to make a “minor” change in the DFP. This request will be sent to KDE in writing with a copy of the Board Order.

503.3.1 The LPC shall meet in a scheduled, advertised public meeting where they shall review the current district facilities plan and the districts financial, demographic and physical condition.

503.3.2 By a simple majority vote, the LPC may recommend that KDE make a minor adjustment to the DFP.

503.3.3 The LPC request is then submitted to the local board in an advertised board meeting. The local board shall consider the request and supportive information from the LPC and vote on the request.

503.3.4 If the local board votes by a simple majority to approve the request, a letter of explanation including back up documentation shall be submitted to KDE for review.

503.3.5 KDE may require additional information such as the updating of the district’s building inventory to be submitted prior to final approval.
