RossTarrant Architects, Inc.

RE: Mercer County District Improvements
Harrodsburg, Kentucky
BG 19-065
RTA 1832

I have reviewed the site special inspection proposals provided by S&ME, Geotechnology and LE Gregg. I have prepared the following summary:

Company	Base Bid Not to Exceed Maximum Amount
Geotechnology	\$6,000
LE Gregg	\$6,597
S&ME	\$17,500

Geotechnology

Geotechnology presented a lump-sum total amount for the base bid for the project of \$6,000. The primary inspector proposed for this project has four and a half (4-1/2) years of experience and is ICC certified in Structural Masonry and Reinforced Concrete.

LE Gregg

LE Gregg presented a lump-sum total amount for the base bid for the project of \$6,597. The primary inspector proposed for this project has twelve (12) years of experience and is ICC certified in Structural Masonry, Reinforced Concrete and Soils.

S&ME

S&ME presented a lump-sum total amount for the base bid for the project of \$17,500. The primary inspector proposed for this project has fifteen (15) years of experience and is ICC certified in Structural Masonry, Reinforced Concrete and soils.

Conclusion

Based on the scope of work to be performed and proposed personnel for the project and cost, we recommend that either Geotechnology or LE Gregg be selected as the preferred firm for this project.

If you have any questions, please contact Laith Ross or me.

END OF MEMORANDUM

Sincerely,

Michael B. Mays, PE
Civil Engineer
