

## **January Live RED Report**

### **District News**

#### **Live RED Staff Award**

Congratulations to Mr. Clifton Tabor for being the staff Live RED recipient for the month of January. His nomination reads: Clifton deserves the Staff Live RED award, and more, as he goes above and beyond the duties that are asked of him each day at LCMS! Mr. Tabor has worked at this level since he began his work at LCMS. He goes out of his way to get requests done in a timely manner and keeps up with the ordering of supplies for the custodians. He was also doing the grounds keeper job for a while and the school and the grounds always looked great! He managed to get the school ready for the first day all while working the month of July alone. He keeps the school looking great and manages to help out wherever he can, whenever he can, and keep an awesome attitude while doing it. His work ethic is amazing and his personality goes right along with it. He is always smiling and friendly toward everyone. Mr. Clifton Tabor is a great addition to LCMS not only because of his work ethic, but also his great personality and willingness to chip in when and where help is needed.

#### **Family First**

Family First will collaborate with the elementary guidance counselors to participate in The Great Kindness Challenge during the week of Valentine's Day. Watch for more details including a challenge to help create a culture of kindness and compassion for the community, individual families, school staff, and students!

#### **Cardinal Connection**

### FRYSC is Expanding!

Starting January 1st, Livingston County will have two family resource youth service centers. Family First will serve elementary school students and Cardinal Connection Youth Services will serve middle and high school students.

Mrs. Dana Crawford has been named Cardinal Connection Youth Services Coordinator and will serve along side of Mrs. Stephanie Henson, Family First Coordinator. Mrs. Crawford has been serving the families of Livingston County as Early Head Start Home Based Educator for almost 7 years. She is married to her husband of 18 years and has three children. As a family, the Crawfords enjoy horse back riding, playing games, and outdoor activities. Mrs. Crawford is excited to expand her services to Livingston County families and is looking forward to her new role as part of the FRYSC team.

Cardinal Connection Youth Service Center is coming along quickly. A special thank you to all of those involved with making this happen. Mrs. Crawford is very thankful for the exciting opportunity she has been given to be the coordinator of this endeavor. Upcoming, the Cardinal Connection has Big Smiles in-school dental program at the middle and high schools at the end of this month and beginning of February.

#### **Grant Report**

LCHS Construction Technologies class has been awarded the Lowe's Toolbox for Education grant. Funds will be used to purchase materials to construct a portable building that will be sold for the cost to build another building. Congratulations!

Thank you to all who have linked their Kroger Rewards card to the Livingston County Education Foundation and to those who choose to use Amazon Smile to help support the foundation. This year we received \$186.00 from the Kroger Community Rewards Program and \$57.00 from Amazon Smile. Kroger cards need to be linked every year. Please contact Kroger to verify your card is still linked to the foundation. Every little bit helps and we greatly appreciate your support!

In December, the Student Lighthouse Team made 150 treat bags for foster kids served through NECCO of Paducah. They are currently working on their Second Annual Teddy Bear Drive to allow them to deliver and distribute stuffed animals to the approximately 60 residents of Salem Springlake Health and Rehabilitation Center.

## **North Livingston**

Thank you Livingston Education Foundation and Farmers Bank for the tone chimes and bells.

### **North Star Academy**

North Star Academy resumed programming for both AM and PM sessions on January 7<sup>th</sup>. Students and staff are getting back into our routines and are showing good numbers in attendance for both programs.

NSA plans on piloting a new session with materials and resources that Ms. Wilson won at our multi-state conference in October. NSA is excited about this new endeavor which involves adopting an animal (stuffed, not real), caring for it and journaling about the process. NSA is working on getting the animals donated and hope to get the sessions started soon. The new session goals will be about developing good character traits such as fairness, kindness, respect, responsibility and empathy.
