RE: Board Agenda Item – Tree Mural – Overdale Elementary School

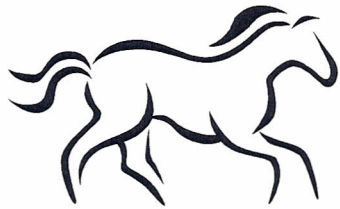

Presented for Board approval is a request from Ms. Dana Brown to paint a tree mural in the main lobby of the school. Similar to other schools, this mural will promote a positive climate/culture by displaying staff/student pictures together as a family. This creates and supports the district initiatives through Positive Behavior Interventions and Support Programs.

All supplies for the project, including paint, pictures and frames, will be donated by Ms. Brown. The cost to hire the painter is \$400.00 and will be covered through Fund 22. Mr. John Roberts will assist the project by taking the photographs.

I recommend the Board approve the request from Ms. Dana Brown to paint a tree mural in the main lobby of the school.

To All It May Concern:

We are requesting permission to have a tree mural painted in our main lobby. We are planning to purchase, if approved, from our Fund 22. The paint is being donated by me for the project. The only payment will be to the artist that we have employed to paint it. The cost will be \$400.00, as it is a large mural (120 in. tall x 108 in. wide). Please see the below design that we would like to have approved. This mural will promote a positive climate/culture as we will be showcasing staff/student pictures. John Roberts has supported us with taking the photos. I will, personally, process the pictures and purchase the frames. Black frames will adhere to the tree with Velcro.

Thank you, in advance, for your consideration.
