Action/Discussion Item: Consider approval for moving students from Renaissance Learning Center (RLC) into the former Allen Central High School building until their new facility is approved for occupancy.

Applicable Statutes or Regulations: BOE Policy 0.11 Powers and Duties of the Local Board of Education.

Background and major Policy Implications: The facility that is currently being utilized as the Renaissance Learning Center is in dilapidated condition and moving the school until the new facility is complete will ensure student safety. Maintenance and technology have checked to make sure that the ACHS facility is ready for students. They may occupy the new building beginning February 4, 2019.

Alternatives: None proposed.

Recommended Action: To approve moving Renaissance Learning Center into the former Allen Central High School Building until the new RLC building is approved for occupancy.
