

# Support for Schools through Add-on Positions for District Priority Needs

*Board of Education Meeting  
February 12, 2019*

# Mental Health Practitioner (MHP)

- Provides evidence-based and school-based mental health interventions for students
- Coordinates activities at the school level to meet the mental health, academic, social, emotional, and physical needs of students
- Collaborates with school administrators, staff, parents, and community partners to meet mental health needs of students
- Obtains district-based crisis team training and actively participates on the district crisis team

## Staffing:

- Assign one MHP to middle, high, and AIS elementary schools
- Assign .5 to other elementary schools

# ECE Implementation Coach

- Chairs Admissions & Release Committee (ARC) meetings to ensure due process
- Ensures compliance with JCPS ECE Policies & Procedures, Kentucky Administrative Regulations (KAR), and Statutes (KRS)
- Ensures compliance with federal Individuals with Disabilities Education Act (IDEA)
- Provides school-based supports for the achievement of students with disabilities

## Staffing:

- Assign based on the needs of schools (e.g. number of students with IEPs; number of special classes; etc.)

# Academic Instructional Coach

- Supports instructional needs of the school to achieve learning outcomes
- Coaches teachers to improve practice
- Supports PLCs to analyze data and make instructional decisions
- Collaborates with administration to lead system work

## Staffing:

- Assign one to each school
