2. **Responsibility for the Students** -- The High School does hereby accept responsibility for all aspects of the behavior, safety, and whereabouts of all students from the High School participating in the Conference, from the time the students arrive onsite at the Hotel (no sooner than 3:00PM, Friday, February 22, 2019) until the time the students are officially dismissed from the Hotel by INTERalliance (no later than 4:00PM, Sunday, February 24, 2019.)
3. **Supervision of Students** -- The High School will provide no fewer than one (1) adult faculty or staff member onsite at the Hotel during all waking hours of the Conference (7:00AM to 12:00 MIDNIGHT) for every 25 students from the High School. At all times, one such individual will be identified as the "**Head Coach**" for the High School, and will be designated by the High School principal to serve as the formal representative of the High School. Other individuals supporting the "Head Coach" will be identified as "**Assistant Coach(es)**". The "Head Coach" and "Assistant Coach(es)" will be introduced to all students from the High School as the official representative(s) of the administration for the High School. The Head Coach will stay overnight at the Hotel on Friday night and Saturday night in a hotel room provided by INTERalliance. If the High School chooses to procure one or more additional hotel rooms for faculty or staff members representing the High School and staying overnight at the Hotel, INTERalliance will ensure that the Hotel makes available such rooms at the Hotel for the TechOlympics rate to be paid for by the High School or its representatives.
5. **Meals** -- INTERalliance will provide fully paid-for meals for the Head Coach and other faculty/staff members attending the Conference to supervise the students, up to one staff member for each 25 students attending the Conference from the High School. 6. **Head Coach Job Sharing** -- Multiple individuals from the High School may share the role of Head Coach by officially designating the individuals who will serve in this lead role and the dates/times that each "Head Coach" is officially on duty in writing to the INTERalliance staff, either by indicating these individuals and their times on duty on this Agreement or by written addendum signed by the High School principal or proxy. At any given time, only one individual may serve as "Head Coach" responsible for the students from High School. This individual must be clearly identified to INTERalliance management, including this individual's cell phone to be used for onsite contact during the Conference.
7. **Student Permission to Leave the Conference** -- It is the responsibility of the High School and its onsite representatives to determine the appropriateness of and grant permission to students to leave the Hotel after the

TechOlympics 2019 Student Contract and Liability Release

(REFERENCE ONLY – submit online)

This **Student Conduct Contract and Parent Release Liability Form** ("Contract") provides an agreement between the Student ("Student") participating in **TechOlympics 2019** ("Conference"), the Student's parent(s) or legal guardian(s) ("Parent"), the school or organization accepting responsibility for the student while attending the Conference ("School"), and the INTERalliance of Greater Cincinnati ("INTERalliance"). The parties whose signatures appear below have read the terms of this Contract, understand all the rules and restrictions stated and implied, agree to abide by these requirements without compromise, and to provide the indicated releases.

The parties understand that participation in TechOlympics 2019 is considered an official school event by all parties involved, and that all rules regarding sanctioned and appropriate behavior at an official school event and the consequences for not following the rules for sanctioned and appropriate behavior at an official school event apply to participation in the Conference. The parties understand that violations of this Contract may result in immediate expulsion from the Conference at the sole discretion of INTERalliance, with further consequences determined by officials and official policies of the school the student is representing.

If dismissed for a violation of this Contract, the Student will be expected to leave the Millennium Hotel ("Hotel") accompanied by his/her Parent or their designee immediately, but no later than 90 minutes after notification to the Parent that the Student has been expelled from the Conference. At all times while attending and participating in the Conference, the following rules and permissions apply:

1. RESPONSIBILITY -- The Student understands that he/she is acting as an ambassador for his/her high school and INTERalliance, and promises to act in a mature, responsible manner.

2. LANGUAGE AND BEHAVIOR -- The Student will refrain from using lewd, profane, off-color or inappropriate language or exhibiting any lewd or inappropriate behavior, including inappropriate text messaging, emailing, posting to social media sites (including the TechOlympics Twitter feed), or related communications to peers on- or off-site.

3. PERSONAL BELONGINGS, CASH, AND ELECTRONICS -- The Student is not to bring items of high personal value to the Conference. The INTERalliance, its sponsors, directors, employees, and volunteers, and the Millennium Hotel are not responsible for any personal items brought by the Student that are lost, stolen, or broken during the Conference. The Student is discouraged from bringing to the Conference any personal electronic equipment or items of value, including gaming equipment, iPods, laptops, tablets, radios, calculators, televisions, etc. The Student may bring a personal cell phone, but the use of this device must be limited to those activities deemed appropriate by INTERalliance at its sole discretion. If inappropriate use of a cell phone is determined by INTERalliance, the Student will be required to relinquish the cell phone to his or her

school representative or INTERalliance staff until it is returned to Student prior to departing from the Millennium Hotel at the conclusion of the Conference.

4. DRESS CODE -- The Student must wear only modest, non-revealing clothing appropriate for meeting with university and corporate adult representatives during the Conference, as determined to be appropriate by the INTERalliance and its staff. Violation of this requirement will result in the Student being immediately required to change into appropriate clothing and, if necessary, required to return home to secure such appropriate attire.

5. APPROPRIATE USE OF EQUIPMENT -- The Student will only utilize PCs issued for use during the Conference in approved ways, refraining from accessing online e-commerce sites (eBay, iTunes, etc.) or adult and inappropriate content sites of any kind, or inappropriate content on any site including YouTube. Unauthorized use of provided computers will result in disciplinary action up to expulsion from the Conference at the sole discretion of INTERalliance.

6. STAYING ON-SITE -- The Student will remain on-site at the Hotel at all times during the Conference, and will only enter approved areas of the Hotel. Hotel rooms and areas/wings of the hotel assigned to members of the opposite gender are off limits at all times. Written approval of the Student's Parent is required for the Student to exit the Hotel facilities, and requires physical sign-out and sign-in by a Parent or their designee managed by the Student's school staff representative onsite at the Conference. In 2019, the "Student Lounge" is located in the Duke Energy Convention Center, directly across the Skywalk from the Hotel. Students need not (and are not permitted to) exit the building to access the Student Lounge. The path from the Millennium Hotel 2nd floor to the Student Lounge in Duke Energy Convention Center will be supervised by INTERalliance security personnel. The conference rooms reserved for the Student Lounge are the closest possible rooms to the Millennium Hotel, and students are not permitted to leave the Student Lounge and explore any other areas of Duke Energy Convention Center.

7. RELEASE OF LIABILITY -- The undersigned Student and Parent hereby holds INTERalliance, its sponsors, directors, employees, trustees, officers, volunteers and agents harmless from any claims, damages, losses and/or expenses arising out of participation by the Student or the Parent in the Conference and assumes all liability for any and all personal injury, bodily injury, illness or property damage that occurs as a result of Student's participation in Conference's activities. The parties warrant that participation in this Conference is voluntary and that Student and Parent have read and understand that the inherent risks exist despite the Conference's safety precautions and procedures. The Student agrees to obey all rules and policies mandated by his or her school staff representative, the INTERalliance, the Millennium Hotel, and associated authorities.

8. PHOTO CONSENT -- INTERalliance activities and events may be photographed or videotaped for publication in INTERalliance information and promotional materials. The Student's Parent's signature below provides a media release allowing the name, school, and photo likeness or video image of the Student to be used for documentation or promotional purposes by the INTERalliance.

9. FOOD ALLERGIES, SPECIAL NEEDS, AND MEDICATIONS-- The Student has the following food allergies and/or special needs and/or is required to have on Student's person the following medications (please list each medication by generic name) that the Student will self-maintain, self-monitor, and self-administer without supervision while in attendance at the Conference.

10. FIRST AID AND EMERGENCY MEDICAL RESPONSE- In the unexpected event that emergency medical care is necessary, Parent hereby authorize INTERalliance, supervising staff from Student's school, and/or staff of the Millennium Hotel to implement standard First Aid, considering the special needs identified in Item 9 above, and, if necessary, to transport the Student to Cincinnati Children's Hospital for emergency care while concurrently attempting to contact the Emergency Contact individuals indicated during Conference registration.
