

Mr. Wes Bradley, Superintendent  
Nelson County Schools  
288 Wildcat Lane  
Bardstown, KY 40004

Dear Mr. Bradley:

Pursuant to KRS 157.655-157.660 and 750 KAR 2:010, the School Facilities Construction Commission (SFCC) is hereby making an official FY-2019 KETS offer of assistance to your Board of Education. Acceptance of this offer of assistance commits the Board of Education to follow the statutes and regulations of the SFCC and the Kentucky Department of Education governing the Education Technology Funding Program.

Based on final FY-2018 statewide ADA figures, your **first and second offers of assistance** in FY-2019 are in the total amount of \$63,145. Accepted state technology fund offers of assistance **must be matched equally** by your Board of Education or can be escrowed for up to three (3) years.

Please note that the education technology funds restricted account has a new designation in the MUNIS chart of accounts: **Fund 2, Project 162E** EdTech account. In order for your district to receive funds, local funds should be transferred to that account.

In responding to this offer of assistance, please provide the SFCC with the following information:

1. Fund Utilization Planning Form. This form can be located as a PDF file [here](#)
2. Copy of a report from the MUNIS accounting system demonstrating evidence of a journal entry certifying local matching funds have been transferred to **Fund 2, Project 162E** EdTech account. The certification shall be the signature of the superintendent on the report
3. Excerpt of Board of Education meeting minutes (**accepting, escrowing, or rejecting** offer within **60 days** from the date of offer)

From this point forward, KETS offers of assistance will be delivered to you via email. A copy will also be sent to your district's Director of Finance and Chief Information Officer. For your convenience, documents regarding your KETS offer will be accepted by email or snail mail, whichever you prefer.

As always, we look forward to working with you in the Education Technology program. We trust you will join us in continuing the success of this program in your district and in the Commonwealth of Kentucky as a whole. Please direct any questions you may have concerning the Education Technology program to Corey Samples in the SFCC office.

Sincerely,

Chelsey Bizzle  
Executive Director, SFCC
