SUBJECT: Board Approved Fees for FY19-20

Every year, we are required to review with schools the fees that are being charged to students either for classes, sports, or clubs. Schools are asked to evaluate whether a fee is needed, is still being charged, or needs to be increased or decreased. These fees are the maximum amounts that a school could charge for each item. They do not have charge the whole amount, but cannot charge any more than these amounts. I have included in your packets the master list updated with the requested changes from the schools (highlighted in purple). I have also included a sheet outlining which fees are requested to change for FY 19-20 school year and the reasoning behind each requested change. I am requesting that the board approve the proposed changes in our master fee list for the FY19-20 school year.

Thank you.
