RE: Teacher of the Hearing Impaired

The Department of Special Education is requesting to add a full time Teacher of the Hearing Impaired position for the remainder of the 2018-2019 school year. Bullitt County currently employs two teachers of the Hearing Impaired. These are itinerant teachers with a caseload capacity of 8 students. One of these teachers currently has 10 students and the other has 8; with 2 more students qualifying for services within the next month. This additional position is also necessary to help our department meet the requirements of an IEP for a student who recently moved into the district. Funding for this position will come from the IDEA Budget.

Please contact me if you have any additional questions.
